

BULLHEAD CITY FIRE DEPARTMENT
REQUEST FOR QUALIFICATIONS
FOR DESIGN-BUILD SERVICES FOR AN APPROXIMATE 20 KW GRID TIED
PHOTO VOLTAIC SYSTEM
Station 5 – RFQ 20-001

Bullhead City Fire Department is seeking Statements of Qualifications from qualified and interested firms to perform design-build services for the design and construction of an approximate 20kW new grid-tied photo-voltaic (PV) system, which will be located at 3455 Arroyo Vista., Bullhead City, Arizona.

The project will encompass all aspects of construction including all engineering, construction, and completion of the project. The total budget for this project is \$50,000.

Bullhead City Fire Department intends to procure these services in accordance with ARS §34-603, et seq. utilizing a qualification based selection process. A selection committee will evaluate the statement of qualifications and determine a short list of at least three persons or firms for interviews before final selection.

All interested parties must contact the Bullhead City Fire Department to receive a Request for Qualifications packet at:

Bullhead City Fire Department – Station 1
1260 Hancock Road
Bullhead City, AZ 86442
(928) 758-3971 or packer@bullheadfire.org

A pre-submittal meeting will be held on March 18, 2020, at 2:00 p.m. at Bullhead City Fire Department, Station 1, 1260 Hancock Road, Bullhead City, Arizona.

All Statements of Qualification are due as per the Request for Qualifications packet at 1:00 p.m. on March 25, 2020, at:
